Re: Bowlin v. Idelle Labs, Ltd., No. 1:23-cv-10788-MMG – Letter Motion Request for Adjournment of Initial Pretrial Conference Scheduled for April 18, 2024

Dear Judge Garnett:

In accordance with Your Honor’s Individual Rules & Practices (the “Rules”), counsel for Idelle Labs, Ltd. (“Defendant”) respectfully requests an adjournment of the upcoming initial pretrial conference currently scheduled for April 18, 2024 and a corresponding extension of the April 11, 2024 deadline for filing a joint letter and a proposed Civil Case Management Plan and Scheduling Order as ordered by the Court on February 29, 2024 (Dkt. 27). Pursuant to Rule I(B)(3), Defendant will email a file-stamped copy of this letter to the Court’s attention.

Due to an unexpected family emergency, counsel for Defendant is unable to meet and confer or to finalize the joint submission by tomorrow and unable to fully prepare for the pretrial conference. This is Defendant’s first request for an extension relating to the currently operative complaint. Defendant filed one request for an extension to respond or otherwise plead to a prior iteration of the complaint (Dkt. 16).

Defendant respectfully requests an extension of 11 days in each date, such that the proposed Civil Case Management Plan and Scheduling Order would be due on April 22, 2024 and the initial pretrial conference would be adjourned to April 29, 2024. Defendant notes that the initial pretrial conference is currently scheduled to be remote, and Defendant has no objection to the conference continuing to proceed remotely on the proposed date. No other scheduled dates will be affected by this extension and adjournment.

Defendant conferred with counsel to the Plaintiff, who consents to this extension and adjournment.
